Thanksgiving Farm Wines 🍃

195 Harwood Road
Harwood, MD 20776
Phone: (410) 867-2998, (410) 630-1511
www.thanksgivingfarm.com

Thanksgiving Farm wines are made exclusively from grapes in the vineyards at Thanksgiving Farm. Our winemaking efforts are focused on producing a single, premium red wine made from a blend of Bordeaux grapes - our Meritage wine. For each vintage, we carefully choose the proportions of each grape variety to be included in our Meritage, based on the vintage-specific ripeness and flavor of each variety. In addition, we produce a light bodied red wine, our Farmhouse Red, a Dry Rose, and a white wine, our Franc Blanc, and our desert wine made from 100% petit verdot grapes. We are currently sold out of our Farmhouse Red.

Our tasting room is open Saturdays and Sundays from 1:00 pm to 5:00 pm from through November 25th; from December 1 through the end of March 2019, our tastings and sales are by appointment only unless otherwise noted on our website listed above. We also sell wines by the glass, bottle and case. In addition wine can be purchased on-line for shipment within Maryland and to Washington, D.C. and Florida.

The Vineyards at Dodon 🍃
We are stewards of the land and guardians of its future. As eighth generation custodians of this historic property, we have an ongoing commitment to ecological diversity, meticulous viticulture, and precision winemaking. While Dodon does not offer open hours, tours of the vineyard and winery and seated tastings are available by appointment Thursdays through Sundays. Visits consist of an intimate, unrushed educational session led by a knowledgeable member of the Dodon team and a guided tasting of Dodon's 100% estate-grown wines.

This holiday season, we'd be happy to assist with holiday gifting for your friends, family or business. Gifting options include gift certificates for a yearlong Dodon Wine Club membership, gift wrapped bottles or cases of wine, gift certificates for tours and tastings, and private tasting events. Call us at 410-798-1126 or email info@dodonvineyards.com for more information.
