Farm Equipment Rental Program

Anne Arundel County currently offers a rental program which makes farm equipment available at reasonable prices. The program, which aims to support a variety of farming needs while promoting conservation practices, is funded through a grant from the Southern Maryland Agricultural Development Commission (SMADC) with in-kind participation from T&C Farm Services. Equipment is available for rental in the 5 southern Maryland counties: Anne Arundel, Calvert, Charles, Prince George's and St. Mary's.

Equipment available for rental:

10' No-Till Drill
Post Driver
Manure Spreader
Round Bailer
Spinner Spreader

12' Turbo Till
5' All Purpose Seeder
Raised Bed Mulch Layer
Cattle Squeeze Chute
& Scale

Rental application and requirements are available
at www.aaedc.com/agriculture.

Connecting restaurants and consumers to local products!

Why Buy Local?

- Buying Local is good for you and the planet!
 - Buying from local farms helps you get products that are healthier, fresher and that taste better too. Local foods travel much shorter distances from farm to fork, promoting cleaner air and water while reducing our carbon footprint.
- You're supporting family farms and strengthening the local economy.
 - Buying local food keeps your dollars circulating in your local community. When you buy local, you help to ensure that our farms survive for many years to come.
 - In Maryland, if every household purchased just \$12 worth of farm products for eight weeks, over \$200 million would be put back into the pockets of our local farmers.

Where can I buy Local Products?

Visit our website to view the Arundel Grown Guide to find local products near you, including a list of Arundel Grown Certified Restaurants

Attention Restaurants, Chefs, & Caterers!

Are you looking to serve the best tasting, freshest recipes using local ingredients from Anne Arundel County? If so, we invite you to join Arundel Grown Certified. Arundel Grown Certified helps promote participating restaurants and farms in an effort to increase awareness of local agriculture and food sourcing. For program details, contact us!

With the help of hundreds of volunteers and generous community contributors, MTR strives to improve the lives of special needs riders of all ages using a high quality program. We offer year round riding for recreational riders and therapeutic riders. Visit our website for more information.

AGRICULTURE SCRAP TIRE DISPOSAL PROGRAM

Current Anne Arundel County law prohibits farmers from disposing of tires used in farming in the same manner as automobile tires. AAEDC offers an Agriculture Scrap Tire Disposal Program which allows Anne Arundel County agribusiness owners to dispose of their tires by bringing them to T&C Farm, where a collection trailer is available.

The Scrap Tire Program is sponsored by the Anne Arundel County Farm Bureau and the county's Soil Conservation District, T&C Farm Services, the Maryland Department of the Environment and Maryland Environmental Service.

**Please contact AAEDC at
410-222-7410**

Christmas Trees, wreaths, grain and hay, corn stalks, gourds, mums, pumpkins, and winter squash.

Visit www.aedc.org/agriculture for an online, interactive version of the Arundel Grown Guide. Search by product or farm name. Here you will find the most up-to-date information on the listings in this guide and news farms as they are added.

AAEDC creates economic development strategies to support Anne Arundel County's farm based businesses. We help market the county's agri-businesses and engage the public to support locally grown, made and produced products.

Are you a agricultural producer needing assistance to grow your business? Need guidance to improve your operations, strengthen your business plan or enhance your marketing? By providing business counseling, information and training, AAEDC's Agriculture Business Development staff helps find opportunities for success for county farmers and agri-businesses.
