

a Taste of **ARUNDEL** *Grown*

at  **HOMESTEAD
GARDENS**

AUGUST 6, 2025 | 5:30 PM - 7:30 PM

A Taste of Arundel Grown, Arundel Ag's signature event, celebrates local agriculture by showcasing food, beer, and wine primarily grown, raised, or produced in Anne Arundel County.

The event seeks to support local farmers and watermen by raising the visibility of what they produce and encouraging residents and businesses to purchase their products throughout the year.

In addition, the event supports agriculture in Anne Arundel County by raising funds for our Agricultural Business Improvement Grant (ABIG) Fund as well as the Center for Applied Technology (CAT) North Future Farmers of America (FFA).
